Guidance & Counseling

2020-2021

Clear View's Mission Statement

The mission of Clear View High School, the premier learning community of choice for transformative education in CCISD, is to ensure each student develops self-confidence, sets and achieves goals for academic and social success, and becomes a positive contributor to the global society, realized by meaningful relationships, personalized instruction, community involvement, and an unwavering commitment to each student—because we are a family where every individual can begin, belong and become.

A Place to Begin, Belong,
and Become.

Student Guidance and Counseling Services

Our first priority is our students. We readily make ourselves available to students in need of guidance and counseling throughout the school day. To ensure all students are well-served with the time and attention they deserve, we ask that parents/guardians make an appointment with their student's counselor to allow adequate scheduling and preparation.

We are committed to providing our students with a comprehensive guidance and counseling program to include:

Guidance curriculum to assist students with the development of essential core values and

self-management/social skills needed to enhance their personal-social, educational, and career growth. Topics included are:

- Bullying Prevention
- Character Education/CCISD Core Values
- Personal Safety
- Cultural Diversity
- Healthy Relationships/Dating Violence
- Drug and Alcohol Awareness
- Suicide Prevention
- Youth Mental Health

Responsive services to intervene on behalf of those students whose immediate personal concerns or problems put their continued personal-social, career, and/or educational development at risk.

Individual planning to guide all students as they plan, monitor, and manage their own educational, career, and personal-social development.

System support to link faculty, staff, and community members in our education programming and school improvement planning.

Personal Counseling

School Counselors are available to assist students with a wide range of personal concerns. A student who wishes to meet with a school counselor about personal concerns should request to visit the school counselors' office. Students can do this by filling out a form online using the QR code available in every classroom and throughout the school.

If a parent is concerned about their child's mental or emotional health, please speak with a school counselor for a list of resources that may be of assistance.

Student Support Groups

In order to meet the personal needs of students, student support counselors offer support groups that meet on a recurring basis. The support groups meet during the school day for approximately 45 minutes per week. The

class time in which groups meet rotates so students do not miss any class more than once every nine weeks. These groups are intended to provide a safe, confidential, and supportive setting for the student to discuss concerns and practice behaviors that will support growth and development.

School Counselors are available to assist students with a wide range of personal concerns, including such areas as social, family, emotional, mental health, or substance abuse. A student may request to visit the school counselor's office and parents may request resources from a counselor. In order to meet the personal needs of students, school

counselors may also offer support groups on a recurring basis. If a parent/guardian does not want their student to participate in a support group, written documentation of denial of services will need to be provided to the school counselor.

Virtual Counseling support may occur throughout the school year with Clear Connections or during an intermittent school to home closure. Virtual counseling supports may include Itslearning messaging/chat, video conferencing, guidance lessons in coordination with your student's teacher, or support groups via Teams, etc. If a counselor wants to schedule a Teams meeting with a student, the counselor will first contact the parent to gain permission as well as review the limits of confidentiality.

Leader in Me

Clear View High School is a Leader in Me School. Clear View integrates these habits daily into their school community, not only modeling but teaching students how to demonstrate these habits. The Leader in Me Habits are:

Habit 1: Be Proactive

Habit 2: Begin with the End in Mind

Habit 3: Put First Things First

Habit 4: Think Win-Win

Habit 5: Seek First to Understand, then to be

Understood

Habit 6: Synergize

Habit 7: Sharpen the Saw

Getting Connected with Naviance

CCISD is pleased to provide Naviance Student, a web-based service designed especially for students and parents. Naviance offers a comprehensive website that you and your student can use to help in making decisions about courses, colleges, and careers.

student.naviance.com/clearview

Use your Naviance account to:

- View and manage your high school course planning.

- Prepare for the ACT/SAT test with free test preparation provided by Method Test Prep.

- Research colleges and universities, and explore scholarship opportunities.

- Investigate career interests and options using the Personality Inventory and Career Interest Profiler.

- Update your profile, including your parents' or guardians' email address so parents/guardians can have their own account.

CCISD Core Values

CCISD has six core values, or standards of behavior, that we have adopted from the Character Counts 6 Pillars. Clear View integrates these core values daily into their school community, not only modeling but teaching students how to demonstrate these values. The CCISD core values are:

Trustworthiness – Act with honesty in all that you do

Respect – Value yourself and others

Responsibility – Own your choices

Fairness – Play by the rules and consider the needs of others

Caring – Be kind to others

Citizenship – Work to improve your school, community, and country
